

Dr. ALEXANDER GOLGER

HOSPITAL PRIVILEGES

Present	Scottsdale Thompson Peak Medical Center
Present	Scottsdale Osborn Medical Center
Present	Scottsdale Shea Medical Center

REGULATORY PEER ASSESSMENT

Present	Assessor, Quality Management Division, College of Physicians and Surgeons of Ontario
---------	--

ACADEMIC APPOINTMENTS

Present	Assistant Professor, Queen's University, Kingston, ON
---------	---

PROFESSIONAL AFFILIATIONS

2025 – present	Arizona Society of Plastic Surgeons
2022 – present	The Aesthetic Society
2022-present	Arizona Medical Board
2012-present	American Society of Plastic Surgeons
2008 – present	Canadian Society for Aesthetic Plastic Surgery
2008-present	Royal College of Physicians and Surgeons of Canada
2008-present	College of Physicians and Surgeons of Ontario
2006-present	Canadian Society of Plastic Surgeons

EDUCATION

- 2003-2008 **Plastic Surgery Residency**, University of Toronto
- 2000-2003 **Doctor of Medicine** McMaster University, Hamilton
- 1997-2000 **Bachelor of Science** (Physiotherapy) Queen's University, Kingston
- 1991-1994 **Bachelor of Education** (Human Kinetics) Zinman College, Netania, Israel

QUALIFYING EXAMINATIONS

- 2003 Medical Council of Canada Qualifying Examination Part I (MCCQE I)
- 2004 Medical Council of Canada Qualifying Examination Part II (MCCQE II)
- 2005 Principles of Surgery Qualifying Examination (POS)
- 2008 Royal College Plastic Surgery Examination (FRCSC)

RESEARCH

- 2006-2008 **Therapeutic efficacy of sentinel node biopsy in head and neck melanoma**
Principal Investigator, under the supervision of Dr. Neligan
- 2004-2007 **Epidemiology of head and neck melanoma in Ontario, Canada**
Principal Investigator, under the supervision of Dr. Neligan
- 2002-2003 **Efficacy of 18-fluorodeoxyglucose positron emission tomography for the diagnosis and long-term monitoring of patients with well-differentiated thyroid carcinoma**
Principal Investigator, under the supervision of Dr. J.E.M. Young
- 2001-2002 **Three-week thyroxine withdrawal thyroglobulin stimulation test to detect residual/recurrent well-differentiated thyroid carcinoma**
Research Associate, under the supervision of Dr. P.G. Walfish

2001-2002 **Determinants of mortality and morbidity in patients with necrotizing fasciitis**
Principal Investigator, under the supervision of Dr. J.R. Bain
